ENJOY THE PASSION FOR SPORTS

For the ultimate in water sports Turkoise has exactly what you're looking for

There are beautiful sites and then there are the visions of beauty that can't be explained – only experienced. Turkoise is such a place. The panoramic views of talcum-soft sand and the Caribbean Sea are nicely complimented by the sounds of live music at this resort reserved exclusively for adults. Smell the scents of gourmet cuisine blending together with the salty air of the sea. Feel the simple pleasure of sand beneath your bare feet. It's a destination that dazzles the spirit, awakens the soul and allows guests to enjoy living like they never have before. One of the top 5 wall diving destinations in the Caribbean (Rodales Scuba Diving Reader's Choice Awards), this resort is eminently inspired by the wonders of the ocean. It's no wonder that memorable trips are had here as often as the tide.
